Here is our unqualified

GUARANTEE

Use the TOWN and COUNTRY CART as hard as you like around your place for three months. If you are not delighted, just send it back and we will immediately refund every penny of the purchase price.

The TOWN and COUNTRY CART holds TWICE as much as an ordinary wheelbarrow!

It easily carries loads up to 300 pounds!

The weight balances on the axle — you don't carry it in your hands. Push or pull with ONE HAND. Won't tip over. So much easier going thanks to TWO BIG wheels! Rubber tires. Ball bearings. Narrow enough to go through doors and gangways.

The TOWN and COUNTRY CART is built by Vermont craftsmen to last for years. Leave it outdoors all year long if you wish. Tight, welded all-steel construction. Loose sand, dirt, etc., won't spill out the sides. Flat bottom keeps pots, pails, bottles, etc., from tipping over.

Please look at the few sample uses shown and think how many, many ways this wonderfully handy Cart would save you time and work, and increase your enjoyment of your home, garden, grounds and hobbies.

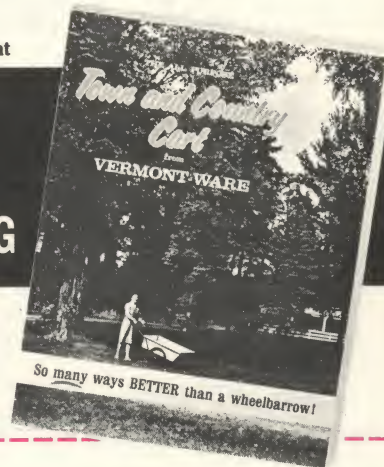

Honestly, when you've had this TOWN and COUNTRY CART a week you'll wonder how in the world you ever did without it!

Makes a thoughtful, most appreciated gift anytime of year for anyone with a nice home, camp or summer place.

Satisfaction guaranteed. Use any model of the Cart around your place for three months. If you are not delighted, just send it back and we will immediately refund every penny of the purchase price!
